GO FOR MAXIMUM VISUAL IMPACT

With its contemporary styling and innovative construction, our Pure Vision gas fireplace is the ultimate designer addition for any modern home. Our range of colours and finishes and the fireplace's unique design flexibility means it can be tailored to suit any requirement, including the option of a glass back to allow the fire to be viewed from two rooms!

- Decorative
- Contemporary
- New application
- Electronic ignition
- Glass back option
- Natural gas or LPG
- Conventional or Power flue
- Pebbles or Coals and Logs
- Conceived, designed, researched, developed and built in Australia
